## Get out of your Rut and into a New Groove

Are you stuck in a rut? You are responsible for your own motivation, enthusiasm and effectiveness. And when you own that responsibility, you will look for new ways to do your old job... and implementing new ideas builds more enthusiasm and higher effectiveness, resulting in a new GROOVE. New ideas and fresh enthusiasm inspire increased results.

Leah Brewer, NALP, CAM and also known as the "Leasing Queen" has developed effective methods to increase apartment occupancies in her 25 industry years, from a leasing consultant, to a consultant for leasing. Her humor and industry anecdotes, passionate presentations and learning activities inspire attendees to learn, believe, retain and implement successful new ideas. With experience in leasing, management and marketing, Leah ensures that the skills she teaches have been tested and tried first-hand.
